## Vacuum Cat

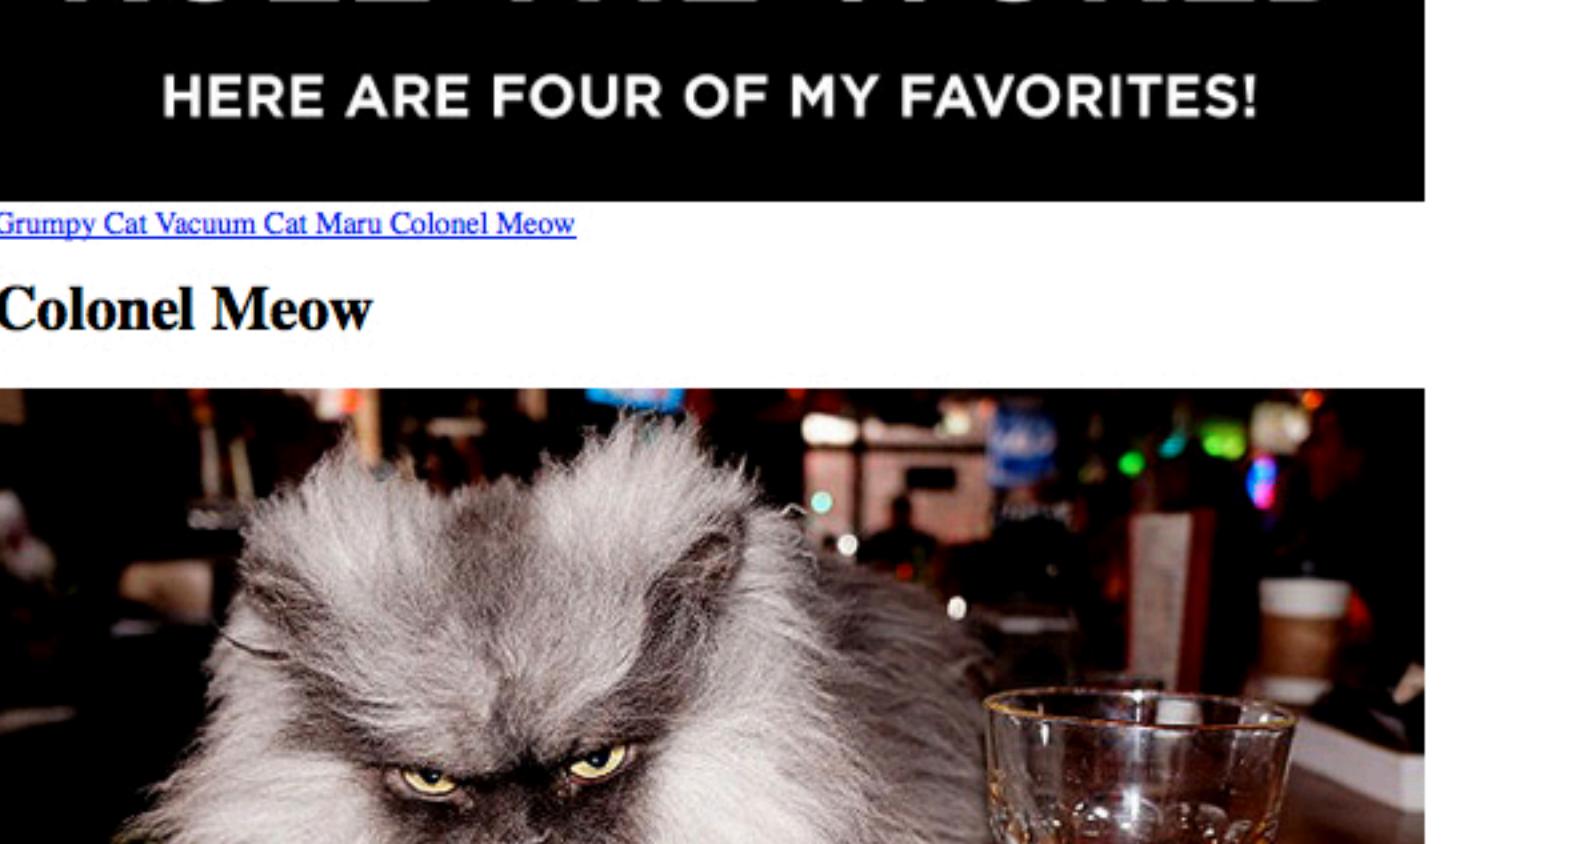

An unnamed Russian kitty has become a YouTube sensation thanks to its obsessed interest with a vacuum cleaner. The enthralled feline appears to be tasting some unseen bit of deliciousness on the end of the vacuum cleaner, and, as the kitty goes in for a lick, the hose attaches itself to the cat's face. Despite the apparent unprovoked attack by the vacuum cleaner, the cat goes in for another taste. The YouTube video titled 'The Vacuum Cat' has already racked up more than 2.48 million views. Cat videos are huge on YouTube, and, given the meteoric rise of this new video, it looks as if a simple cat battling with a vacuum cleaner could soon become one of the most watch YouTube cat videos of all time.
